Nice ride

She's beautiful! I wouldn't mind a ride myself!" I grinned to the grizzled biker who was picking up his bike from the garage I own. Turning around, I removed my overalls, letting him glimpse my round arse as I bent over, before seductively removing my undies. Naked, I started to unzip his jeans. His dick sprang free.

on either of his shoulders and sat down, taking his cock from head to base in one movement. I groaned as I felt it inside of me, then started sliding up and down on it, determined to use the vibrating engine and this thick cock for my own pleasure! I let him suck on my hard nipples as I continued fucking him.

I stood up and turned around, my hands on the handle bars and my pussy sliding down his huge shaft again, this time my clit picking up the vibrations from the bike even more.

I groaned loudly as I orgasmed, my arse bouncing up and down harder than ever before, he started cumming inside of me, my cunt filling up with his hot seed.

Since then, I've seen him at least once a month for our regular "services"!

My other half, Tom, and I went off to get some winter sun recently. We managed to agree on the resort, but he's into activity stuff while I'd rather shop and sunbathe. But when he blew out coming into town with me because he wanted to go jet-skiing, I got pissed off.

I didn't go looking for trouble, but when David chatted me up, I didn't put up any resistance! He was a big, strapping lad, a local, and I'd already had a couple of lethal cocktails.

As he gave me some chat, I didn't mess about – we only had a few hours. I reached forward and stroked the bulge in his shorts, then told him to follow me to my room.

Ten minutes later we were necking on the bed. All I had on was a sarong and my bikini, and they didn't stay on for long. I loved his big, hard body and he loved feeling me up, too, especially

I started cumming and told him to suck harder on my boobs. He got a good mouthful of tit as his knob ploughed me. I also managed to get a hand on my clit and, as I fingered it, I started to cum so hard...

He just kept pumping me relentlessly and my second cum was even more powerful.

My cunt was still throbbing hard as he shot his load, his back arching to really fuck it into me and hot spunk washing all inside my hole.

We had a bit more of a snog, and I allowed him one final fondle of my tits before I said he'd better leave. I didn't feel that bad for using him – it wasn't like he wouldn't find more willing pussy around the resort.

I didn't feel that guilty about Tom, either. We'd both played away in our time so it wasn't that big a deal. I was still in the room

I moaned as it slid in – a stiff reminder of why he was still the horniest bloke I'd ever fucked – and he just buggered me slowly, the pair of us buzzing from the fun

we'd had earlier that day.

He came deep in me, then tickled my clit as he watched the spunk trickle out down out of my arsehole and over my folds. And just before he made me cum, he had me promise that, no matter who I let plunder my cunt, my arse would always be his alone.

BEST MAN'S PEACH!

A wedding is supposed to be the best day of a young girl's life (or an old girl's - sniff!) and it looks like it was for these not-so-blushing brides vowing to enjoy their husbands, and half the congregation!

MODEL MISBEHAVIOUR

TRI HARDER!

With three posable, vibratable arms, this little sucker is like three dildos in one – for three times the price, admittedly. At £135 the Infinit Multiways isn't cheap, but I am and I can't get enough of it!

BLOOD SIMPLE!

It's Hallowe'en, and *Nosferatu* is my annual DVD/Blu-Ray horror fix. Powerfully shot, this dread-inspiring, haunting silent movie is the first and best of all vampire movies. Yes, even better than *Dracula*: *Dead and Loving It*. The count, though horrible-looking, is strangely sympathetic, maybe because his reaction to sunlight streaming through the curtains is worse than mine!

GIN'LL FIX IT!

What could be a more appropriate tribute to the original King of Soho, Paul Raymond, than a premium London gin? Legend tells us the dirty old bugger could certainly put it away. Personally, I take my gin like I take my men... straight up!

DEAR JULIA

Minimum temp: fucking hot!

Dear Julia

My girlfriend and I look forward to your magazine every month – it's a fantastic blend of sexy naked ladies and horny letters that we've followed for years now. We had great fun wanking each other off over the oh-so-sexy Roxie doing her weekly wash in vol 33 no 10. We had to put our sheets on a hot wash ourselves after that one! Bernie, Nantwich.

Julia says: I enjoy rough and tumble playing with myself on top of a juddering tumble drier! Glad you got your cock mangled by your up-for-it missus!

Anna: Joy to the world

Dear Julia

You just knew that remarkably evil-looking black dildo wielded by Anna Joy last issue was getting a right seeing-to by her chuff. More pics of wide-open, fucked pussies please! I could just bury my face in her big, wet, pink twat! Olly, Colchester.

Julia says: Some girls just look like they're posing with dildos, holding them like they're embarrassing

mobile phones, but Anna really did form an amazing working relationship with nine inches of black plastic!

Dear Julia

Escort's multi-girl shoots are the best thing in the mag right now. Every month I think the ladyparts-on-ladyparts tear-ups couldn't get any better and then, bang, there I am with my nuts emptied for the third time over the same pictures. Those two dirty little sluts Frankie and Candy made my month. What I would do with an hour or two alone with them – the mind boggles! Drake, Penzance.

Star-gazing: I predict shagging

Julia says: Sounds like you could fall head-over-heels in bed with these two!

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Focus groups weren't keen on the new Pepparami

Curvy Melody was a BBW escort for seven years before spinning her experiences into laugh-out-loud gold as a stand-up comedian

Interview by Rose Crompton

It was the turn-on of my prostitution fantasy that initially attracted me to the escort business. Sometimes I'd imagine I was the prize in an anonymous poker game, laid on the table and fucked amongst a sea of cards, chips, cock and cigar smoke.

The reality of it was more technical. I had to learn how to market myself and how to use various listing sites. I managed to find a niche though. When I first started there were only a handful of BBW (Big Beautiful Women) escorts in the industry and we all had something different to bring to the table, so we weren't in competition.

It was my size that dictated the type of services I offered and the sort of clients I attracted: I got a lot more submissive men. I thought I'd be doing The Girlfriend Experience mostly, but my first few calls were requests for domination. My particular 'speciality' was being BBW, so I got asked to do lots of squashing, where I'd sit on a man. This came in various forms: some liked to endure it a long time, being used as furniture while I watched a film and ate pizza. Some preferred wrestling, so I'd pin them down or jostle them a bit.

Face-sitting was hugely popular. There's something about burying your face into a woman's vagina and being enveloped by soft, warm, moist pussy that makes a man want to get lost in it for hours. It's also no secret that I love receiving oral: I've dedicated whole passages to it in my blog! To me, gripping my hands around a man's head and pushing down on that tongue is the best way to make me cum, so my cunt is wet and tight before slipping his hard cock inside me.

There's no doubt that I always enjoyed the sex, even the awkward fumbling sex, because I'd hope they would walk away having learnt a bit more. Sometimes it was out-of-this-world amazing, like one client who enjoyed meeting in a swingers' spa. There was lots of screwing in the sauna before going upstairs and showing off to the crowds! It was my first experience of exhibitionism, a trial by fire but great fun!

Another great experience involved an elaborate role play, concocted with a

Unchained Melody: larger than life

Washing up always seemed more fun with Melody

regular submissive. He was in London for a meeting. I dressed sternly in a pinstripe skirt suit, glasses, my hair in a bun and red lipstick. He'd set it all up behind the scenes to make it look like I worked for a massive investment firm, so all these other suits had to schmooze me. For him, it was a kick watching me 'dominate' his work colleagues.

Once everyone had gone for dinner, we slipped away. I tied him to the bed and unbuttoned my shirt, so my breasts were bulging out of my corset. Taking the headband from my bun, I tied it around the base of his cock to make sure it stayed nice and hard while I slipped the condom on and started to ride him.

Thrusting my breasts into his face, I explained that he was my fuck-toy, nothing more than a human vibrator for me to use, which only made him harder. He was begging to cum, but he wasn't allowed to before I did.

I untied the ropes, laid back on the bed, opened my legs, and gripped his head to push it into my clit. His tongue swirled around as he dove in.

After I came on his face, I made him wank while he knelt on the floor. I told him he could cum on my feet, but he had to lick it off afterwards. Counting down from ten to one, he couldn't help exploding at four. For this, he had to give me a 'cum-early' tax – although I'm pretty sure he could fiddle this one on expenses!

There were some embarrassing times too, like the guy who used my minty shower gel, but didn't wash it off properly. He was surprised when I didn't want to go down on him. "But it's all minty, I thought you'd like the taste," he said. "No, it *smells* minty, but it tastes like shower gel. You're supposed to wash it off, not use it as a marinade," I explained.

Would I ever go back to it? Maybe. The comedy is going well, and I'd love to see where it takes me, but as I'm in my 'dirty thirties' now, maybe I'll just slip into a hotel for a few days, pull up a pseudonym and explore just a few more fantasies before I totally give it up! See Melody perform at the Birmingham Comedy Festival, or read her blog, www.melodybbw.wordpress.com

It's not even as if Amber needs the lubrication. This 22-year-old is so bloody turned-on all the time! "I just love the decadent feel of being totally slippery, like a well-oiled sex tool! And I can always do with a bit more wet down there," she pants, as she exposes her swollen, shiny parts for our spellbound attention. "I like to get slammed all night if I can!"

seeing. So did I – he was tall and fit but not too up himself, so I said I'd be up for posing with him.

Inside, I just want to shag the guy's brains out

It's fun, but obviously you get directed – the photographer tells you when to strip, how to pose, so he gets the shots he needs. But that's a turn-on, too – inside I'm drooling over Rick, I just want to shag his brains out, but I've also got the snapper getting all dominant with me.

He's a good bloke and made it clear that I could call a halt at any time, but I turned myself on by imagining that I was powerless

HOT SHOT

Heaven knows when I first decided that I wanted to be a porn star, but I've always loved watching porn with boyfriends over the years, and having got bogged down career-wise, it seemed like a good idea. I'd get fucked good and proper by some serious studs, have some laughs, and hopefully make some money, too! So I chose a name – Summer – and did some research into the industry, phoning up magazine editors, going online, that kind of thing.

I started doing topless pictures to show everyone the real me, sending them out to mags and producers. Some people think I'm sweet and quiet – and

that's extra-frustrating when it's a bloke you want to fuck – but I figured that if I could look that way and still make it clear I was a dirty little slut at heart, I'd be swamped with job offers. Straight off, I felt really comfortable and horny doing nude shoots, so soon I was gagging to do hardcore.

Things really kicked off when the editor of *Escort* hooked me up with a photographer for a solo shoot, and I mentioned wanting to give boy-girl stuff a go. So the photographer called a mate of his, Rick, who does a bit of modelling and he turned up about an hour later.

He sat in on the end of my solo shoot, and he seemed to like what he was

to resist his orders, no matter how far he pushed me.

It was like heaven and hell – my pussy juicing up as I got naked with Rick and played with his tool. Then the photographer would say cut and set up the next shot. He was impressed by how I was following his instructions to the letter, but my poor snatch was aching – it had never felt so empty.

Suddenly, the photographer got us doing fuck shots. This was it – I felt so nervous as Rick slipped his cock into my wet cunt, but then I came almost immediately! He felt my pussy tighten and flashed me a big grin, only to have the photographer tell us to focus on the

job. We never got more than a few thrusts before we had to switch positions.

They were classic porn positions, geared towards showing off as much penetration as possible. I've sometimes thought they looked a bit awkward when I've wanked off over DVDs, but fucking Rick... no matter how, just feeling that massive prick deep in my hole felt so incredible.

The fucking continued but so did the frustration – just when we'd got into the rhythm of doggy-style, He'd have to

OTS!

pull out and do me missionary. But even with all this stop-start, I was finding it harder and harder to hold back, to be professional.

Of course, the shot every porn photographer needs is the cum shot so – finally – we were told to go for it. I had Rick on his back at the time, and he said later he thought I was going to tear his

"My most erogenous zone has to be my tongue," says bleach blonde Kelly, with difficulty, as she seems to have swallowed half of best pal Cassie's pudenda. "Of course I love having my pussy poked, and a good hard cock up my arse, but it's never as enjoyable without a stiff shaft tickling my tonsils, or a hot fanny swirling all over my tastebuds," she continues, finally coming up for air. Cassie hasn't though, and continues to orgasm copiously and breathlessly as Kelly gives her tongue a rest and uses her equally dexterous fingers.

"Some men are so boring – if you were asked to cover me and my girlfriend in syrup and lick it off us while we dildoeed each other to heaven and back, you'd say yes, wouldn't you!" suggests Isabella (23 from Slough). "But my last boyfriend got cold feet. I don't think he was up to the job. Or maybe he was secretly gay. I don't care about that – I like fucking pussy myself but he didn't allow himself to have fun, that's the thing. Fun is one thing I can guarantee with me. So however outrageous the suggestion, I will always say yes. Why not try me?"

cock won't always do it for me – I need the real thing, a big pole of meat banging in and out of my hole, making me scream out loud and then spurting its jizz inside me.

So I've been going out on the pull. I've been honest, telling anyone who I fuck that it's just for fun, a one-night stand. No phone numbers, and sometimes I've even

I'll admit I often cop off with married

men – you know it's no strings, then. I feel less guilty and it's easier to ask for what I want. The other night, after a conversation with Bradley about the horniest times we'd had, I went out and brought a bloke home to re-enact them. He found it a bit strange at first, the way I kept telling him what to do,

I rose up and stuck him inside me, circling my hips to stir things up as I fucked him. Then I pulled off and guided his wet length to my arsehole.

He held me open as, slowly but surely, I inched him into my arse, my tight chute gripping him as he slid

CLARA, YORKS

I just want to say I miss him – and I wish his dick was buried in my cunt right now – but I'm glad that we agreed we could see other people while we were apart. I tried to be faithful – at first, I'd spend Friday nights in with my sex toys, watching all our pornos and fucking myself to oblivion.

But I've realised that a fake

but when he realised he was in for a good, dirty time of it, he shut up and went along with it.

I had him back on the bed, sat reverse on his cock. He was kneading my arse cheeks as I gave his tackle the same treatment, working his length up against my oozing pussy and rolling his bollocks around in his sack.

deeper. Immediately, I started to frig myself, cumming wetly all over his balls, my ring squeezing his prick.

He played it cool, just kept on fucking, but now my arse was used to the size of him up it, I started to fuck him faster, crouching on my feet instead of my knees for more bounce.

I couldn't see his face. I wasn't imagining he was Bradley – not much, anyway! – just a cock that was giving me massive pleasure. I could hear that he was getting close, though, groaning louder and more often until finally he shoved in balls-deep and I felt the spunk geyser out inside me.

I fucked him absolutely ragged that night. The next morning, he was struggling to

get out of bed. I said not to worry, I'd let myself out. He asked what was going on with me that I'd screwed him so hard, I said I just liked sex!

So... Bradley, when you read this, I miss you loads and when you're back no other bloke is going to get a look in – or his cock in.

And to the readers of *Escort* – if my letter got you going and you're up for fun, you may get lucky if our paths cross!

Clara, Yorkshire.

SHYLO

Shylo might have a plethora of piercings but the 24-year-old from Norwich feels the need for a couple more additions to her cunt. "These are my two favourite dildos. Usually I just need one but as you're here I feel extra horny and think I might need double the pleasure. There's room in my mouth for three but that's reserved for my fella. We like to be watched though, so pull up a chair and pull yourself off as you watch me get fucked..."

SEX WITH ALL THE STRINGS

Shit sex. You don't have to put up with it. Ever. So says sex columnist Daisy Blade

I got a text recently from one of my closest girlfriends and it was a real Sex And The City style dilemma. It read: 'So, I had the worst sex of my life last night. He's a mate's mate and it was going so well: good chats, good kisser, hunky fireman, lovely little body on him, but no idea! Should I give him another go though?' Ah, yes. I remember those days of hit and miss one-night stands well. I could empathise with her fully and suggested that another ride on that engine could be smoking hot the next time. Although sex can be fun, you have to admit there are occasions when it's shit.

Whether in a relationship or not, it's impossible to have amazing, mind-blowing, mop-and-bucket sex all of the time. Now, you won't hear me say that too often. It's even more of a rarity to hear me admit that Mr Boyfriend and I have recently been going through a bit of a sexual lull. Usually a grope of my tits would lead to my bra being flung on the floor and my boobs being ravaged. Not this month. A thumb slipped under the waist band of his boxers would suggest I'm ready and willing to take him into my mouth. Not this time.

Sex drought had hit the Blade bedroom and this was one weather warning that I was not going to tolerate.

The reason for our decreased libidos could be put down to some sort of psycho-babble about work-related stress, money worries, traumatic life events or not getting enough sleep/exercise/healthy eating (delete as appropriate). Personally, I'd say we got bored and fucking lazy.

Shagging the same person for a number of years certainly has its benefits: you know each other's on-buttons, you know your favourite positions and because of these two factors you'll hopefully have plenty of confidence, which always leads to better sex. On the flip side, sex is dull if the same thing keeps

happening over and over again. That's pretty much the rut Mr B and I got ourselves into: blow job, fuck, cum, repeat. There was no flirting or foreplay. Sexual anticipation was at an all time low.

Unlike my friend and her one-night stand, at least we had the chance to right those sexual wrongs. Your resentment towards that person because they couldn't give you an orgasm is short lived.

Admitting that the sex is shit is the first step on the road to recovery. Saying, "Babe, I think we've been a bit crap in bed lately. Thoughts?" on a Thursday night, at the end of a busy week, while having dinner is apparently not a good way to approach the topic. I'm no psychologist, but judging by the furrow on his brow and the slamming down of his spoon into his soup, I'd say that a bit more tact might be needed.

Once everyone's calmed down a bit and they can see your point of view, over the next week have a think about new things to try. We

This is the stiffest you've been in years, George

kept it simple with a new kind of lube, a surprise item of lingerie he didn't know I was getting (it was a serious eyes-popping-out-of-the-head moment when he saw me) and the addition of a well-

positioned, full-length mirror that only cost us a tenner. I love that sex doesn't have to be expensive to be enjoyed!

Anyway, with the new purchases in place it was then just a matter of wait for the right evening and sure enough, the mind blowing, multi-orgasm night arrived. Coincidentally, the night Mr B and I had amazing sex was the same evening my friend was having all of her sexual fires well and truly doused by Mr Fireman.

It seems we'd (selfishly) done just enough to pass the shit sex burden on, but this is one lust-life ailment no one should have to suffer more than once!

♥ ANNA

Pervy painter Ana Bella seems to be going through a purple patch – literally. “Yes, I love it up the bum! I’m covering that up though – there’s not a cat’s chance my landlord is going to see me advertising that, the dirty git! He comes round far too much, trying to catch me in the nude I reckon! I’m redecorating the flat for free, so the least I can do is have a bit of fun! Now who’s going to help me get this off in the shower?”

Irish frisky

I have been meaning to write to your mag for a long time now. I just love all your readers' letters in the adult mags.

This is just one of the many stories from my past which I think your readers will enjoy, from when I lived in Holloway a few years ago.

I had been in the merchant navy since I was sixteen and never married. By the late seventies I had enough saved to buy the flat I was after for years.

Although I don't drink or smoke, I did a quick tour of the pubs to pick up somebody even if it was only for the night.

the drinks in, Lily, who was sitting on my right, put her left hand on my knee and told me I was a nice young man and very handsome. She also told me that she ran a dry cleaning service nearby and that if I brought my shirts to her Monday she would have them ready for me Friday at no cost.

As Tom was returning, Lily rubbed the front of my trousers, giving me a good hard-on, smiled and told me not to forget and that I wouldn't be sorry.

I was stunned because I had never experienced anything like this before.

LILY,
LONDON

her pussy, which was really hairy.

Lily called me a naughty boy, as I began to sniff eagerly at her open fanny lips and exposed arse. My cock was nearly bursting out of my trousers as I gave Lily's fanny and bumhole a good licking.

I opened my trousers and pushed them down to release my cock and Lily gave a long low groan when I pushed the head into her wet and waiting pussy lips, ramming my full length up her.

I SNIFFED EAGERLY AT HER OPEN FANNY LIPS

One Saturday I sat beside this middle-aged couple who I now know were called Tom and Lily.

They had no children, Lily was from London and Tom was a big Irishman working on the buildings.

As I chatted to them about my seaman days, Tom got up to get a drink for Lily and himself and brought me an orange. While he was getting

Lily was not a looker with her dark hair and thin face, I noticed that she was bottom heavy with a big arse but had really good legs.

I love giving oral to a woman before giving her a good fucking with my thick eight-incher.

It was several weeks before I took Lily up on her offer.

I was working on the underground and doing a late

shift that Monday so put six shirts in a bag and took them to Lily.

There was a women chatting to Lily who left when I went in. Lily followed her to the door, closing the door behind her, putting on the Yale lock and turning around the sign to say they were closed.

Lily took me into the back room where everything was washed, ironed and hung up. Lily told me it was the only

way she could have a quiet smoke for a few minutes. To my amazement, she put her hand on the front of my trousers and began to massage my cock, I immediately became as stiff as a poker.

There was a long wide table against the wall which Lily did the ironing. I grabbed Lily and laid her back across the width of the table, lifting her legs up to rest them against my shoulders.

She was wearing house slippers and nylons, her slippers came off with her knickers and I tossed them aside. I held Lily's knees apart and back to her chest to fully expose

The table was just the right height and I stood with my feet apart, thrusting hard into Lily for several minutes until I shot my load deep into her pussy as she reached climax.

Lily went to the toilet and came back, lighting a fag. I left her to it and went to work.

I had my shirts washed and ironed for free and a good fuck every Monday and Friday.

The Irish dance halls were in full swing then and I seldom left one without seeing a young Irish girl home. After a quick kissing session and a fingering, I usually managed to get my cock up her even if it was a quick knee-trembler in a doorway or down an alley.

They were great days!
X, Kent.

JUST SEXY

This is the first time Chrystal has been in a bongo mag, but it's not the first time she's made an X-rated exhibition of herself, surrounded by wide-eyed fellas with drooling chaps. "I was on holiday and thought I was going to make out with my man privately in a secluded sand dune," she admits. "It was only when we were halfway through it that I realised we had been causing quite a rumpy-pumpy rumpus with a big group of lads who started cheering us on! I just waved at them, flashed them my tits and gave them a good show of rampant rogering!"

REAL WIFE SEX

Summer's story continued from page 19

dick off, I went at him so hard! I banged up and down on his stiff length, then rolled over so he could just pound into me hard, my fingernails clawing his back and arse cheeks so he'd do me full-force.

Rick looked like he was struggling but he kept control, until he felt me cum again, my hot wet cunt walls spasming manically around his shaft. He really didn't want to pull out with my cunt tugging on his dick like this, but he was under strict orders from the boss.

He grunted out loud, pulled back, then

let me jack his prick right into my face. The cum jetted out, flying everywhere on my skin and into my open mouth before dripping down onto my boobs. It's something I wouldn't normally do in my private sex life, but it felt deliciously whorish and fun.

Then the photographer finished off with a set of me messing around with the spunk, close-ups of my just-fucked

My cunt walls spasmed round his shaft

snatch dripping with all sorts of fuck-cream.

Finishing up afterwards, with everyone showering and dressing, it seemed a bit surreal. I asked the guys – maybe a bit shyly – had I done OK, and they both said, shocked, “Are you serious?”

Rick said he’d been blown away – he’d actually asked the photographer if this was really my first time on camera.

Now I feel like there’s no stopping me. To have two porn professionals tell me I’ve got what it takes to be a hardcore screen slut just makes me want to go for it even more. I want to work with Rick again, but I’ll fuck or suck any dick on screen – and eat any pussy, though maybe I need to practise that in private first!

I want to try it all – group fucking, anal, anything. And I hope to be getting blokes hard all over the UK, if not the world! Just watch this space! I’ll never forget *Escort* which started me off though and I’ll always have time for their readers. Maybe when I’m famous I can come back and do a gangbang with the readers!

"I take my little dildo everywhere – even up the arse!" laughs saucy student Emily (18). "I love to nuzzle it against my clit while I finger my pussy and I also get off sliding it up my arse while a nice fat cock jams up my juicy pussy. Once I lost it and I had to use the contents of my vegetable drawer in the fridge. Carrots and cucumbers are best but don't bother with celery – it just snaps. Now, do you want to see how quickly I cum?"

sexy showtime

My man is always at work but I keep him (and me) satisfied with a sex show on his office webcam. Last time, I greeted him

normally, just my face at first. Then I adjusted the camera to show him the big dildo I had stuck in my snatch.

I saw him draw in a deep breath and asked if he was on his own at work. He said yes, for about the

getting all stirred up by my toy. Then I got a vibrator and

touched it to my clit.

It felt intense, the fake dick. I started cumming and I couldn't stop, until I finally pulled the vibe off myself, and the dildo out, slapping it in between my horny, swollen boobs.

I told him to look how horny, how wet the sight of his prick was getting me, and told him to wank it faster. The movement looked a bit shaky on my screen, but his big pole was making my clit throb all over again.

He told me to get the dildo back in my cunt, to fuck it like I'd fuck his cock. I asked if he could see how I was getting tighter, how the juices were

next hour, so I told him to get his cock out.

I watched him stroke his shaft to stiffness for me, sighing as I imagined his knob getting rigid in my

hand or mouth – it was like I could taste it.

On the little inset picture I could see what he was seeing, my creaming cunt

streaming out of me now. I told him to grip his cock tight, to think how it felt when I was cumming so hard around it he couldn't hold back himself.

monster mush

To get away from the kids around our way we usually book a hotel on Hallowe'en night. This year we went to Manchester and it was one of the most memorable yet.

I was ready first so I went down to the bar and got

myself a drink. I hadn't been sat there long when I was joined by two young lads from Leeds, Rob and John.

They asked me if I was on my own and if I fancied a good time. I told them I was waiting for my hubby but a good time was always on the cards with me.

As we finished our drinks they started stroking my stocking-clad legs. I spread them a little further apart so that they could feel I had no knickers on.

Rob started stroking my clit and then slides two fingers into me. This turned me on a great deal, so I said we had better go to a room or we would end up being arrested for having sex in public.

We got in the lift and headed up to my ninth floor room. I shouted to Bob that I had a surprise for him. My dress was off in seconds and I stood there in nothing but my stockings and shoes.

Rob pushed me onto the bed and

spread my legs. He dropped his pants and out popped the biggest cock I had seen for ages. Seeing the size of it made my cunt gush and I told him to fuck me hard.

I screamed as he entered me. Rob pumped away and so on each inward stoke my juices splashed out. John put his cock in my mouth, it wasn't as big as Rob's but it was a good size.

As I was being fucked at both ends, Bob was sat in a chair with his cock in his hand wanking away.

Rob shouted that he was cumming and shot deep inside me, when he had finished John moved round and rammed his cock into me and shot another load up me.

Bob got off the chair and his cock was in me within seconds, putting a third load in my already soaking cunt.

The guys then sat on the bed and watched as I scooped dollops of cum from my aching hole and smeared it all over my face

and tits, sucking my fingers clean. As you can imagine this soon got them hard again. I told them I needed more cock in me.

Rob lay down on the bed and I got on top of him easing myself on to his big fat cock.

John came up

Then he showed it to me, said if he was home he'd get me to lick it off his fingers. I did the next-best thing, pulling the dildo back out and slurping the juices off every inch of that instead.

I told him to call me when he was on his way home, so I could be wet and ready for his cock.

He came in to find me playing with my toys and told me to spread my legs for the real thing.

Soon we were finding it hard to talk, so we just watched. My cunt was pulsing and sucking on the toy, while Dom's fat helmet was throbbing in his palm. Then he started to cum – I saw him lose his mess all over the desk, shooting harder than usual so he had to clap his hand over his helmet to catch the rest of it.

He fucked me hard before I took his cock in my mouth. My tongue-flicking and lapping away were too much for him to take for long, and soon I got a big salty blast in my mouth.

Now he goes to work with a spring in his step, knowing he gets an hour of sex play every lunch break!

cycle loin

This summer, my wife Tasha and I drove to a quiet local picnic area. There was no-one around and we sat down at a bench to snog in the fine sunshine.

From the look on her face I knew she was up for it, so I told her to sit on the table so I could eat her cunt.

I was busy licking and sucking her pussy when I noticed a

tasted pussy for the first time.

I could see my wife licking her hot cunt lips. The mystery rider then slid under the table and positioned herself between my legs.

She got my cock out and started sucking it

cyclist pull in to the picnic area. Tasha didn't notice and I carried on licking her hot throbbing wet pussy.

As the person approached the table I could tell from the lycra shorts that she was female. She removed her helmet and glasses and walked slowly over to the bench.

Her hand was inside her shorts, rubbing her cunt lips. Slowly she eased them

like a woman possessed.

Knowing I couldn't last long, I pulled her up while Tasha lay on the table.

I manoeuvred the cyclist to the end of the bench so she could bend over and eat Tasha's cunt. I then got behind her and eased my throbbing cock deep inside her.

I slid my thumb up her arse while I fucked her and received no complaints. So

then I pulled my cock out and pushed it against her brown ring.

After a little struggle I pushed my cock deep into her arse.

I knew because of the horny situation I would not last long. As I felt that tightening in my balls I pulled my dick out and

down, revealing her silken shaved cunt. Tasha turned her head for the first time and realised there was someone else with us.

The lady rider moved herself close to Tasha's head and Tasha stuck her tongue deep inside her wet lips and

shot my hot spunk all over her arse and back.

When she had finished, the cyclist put her shorts on and without a word got onto her bike and rode off.

Tasha and I spent the rest of the day fucking and sucking.

Paul, Berks.

I'D NEVER HAD THREE COCKS AT ONCE BEFORE AND I LOVED IT

behind and entered my arse and Bob was in front of me with his cock in my mouth. I was in ecstasy, I'd never had three cocks at once before and loved every second of it.

After every few strokes they would change places

and once I had them in all three of my holes I was cumming like mad.

After everyone had cum, we made arrangements to meet again. I'm not waiting till next Hallowe'en though!

Dee, Lancs.
